QUALITY CERTIFICATES AND AWARDS

At H10 Hotels, we are committed to the environment, which is why we created **Stay Green** — a sustainability project aimed at developing a responsible business model based on three main areas of action: eliminating plastics and reducing waste, energy efficiency and the use of green energy, and training and awareness-raising programmes for both employees and guests.

As part of the **Stay Green** programme, the **H10 Tindaya** hotel has implemented the following actions:

- 100% renewable electricity consumption
- Harnesses ambient heat to generate hot water (heat pumps)
- Generates its own drinking water supply from seawater (desalination)
- Tablets in reception to promote digitalisation and encourage paper saving
- Gives furniture and other goods to IES Santo Tomás de Aquino in Puerto del Rosario to create leisure and recreation spaces
