CERTIFICATIONS AND AWARDS

At H10 Hotels, we are committed to the environment, which is why we have created Stay Green, a sustainability project aimed at developing a responsible business model based on three main lines of action: eliminating plastics and reducing waste, energy efficiency and the use of green energy, and training and awareness programmes for both our employees and guests.

As part of the **Stay Green** programme, the **H10 Blue Mar** hotel has implemented the following actions:

- 100% renewable energy consumption
- Tablets in reception to promote digitalisation and encourage paper saving
- Collaborates with NGO Rastro Solidario on the collection of used cooking oil, with sales allocated to social objectives.
- Collaborates on the Fem que Circuli initiative with Fundació Deixalles, promoting the circular economy and the social and workplace integration of vulnerable groups via the collection and re-use of objects and waste
