Stay Green is the **H10 Hotels Sustainability Plan**. In line with our commitment to society and the environment, its goal is to promote a model for responsible tourism in all our destinations.

As part of the Stay Green programme, the H10 Croma Málaga hotel has implemented the following actions:

Featured SDGs

- 100% renewable electricity consumption
- Generates electricity through its own solar panels (photovoltaic energy)
- Harnesses ambient heat to generate hot water (heat pumps)
- 3 electric vehicle charging points
- Tablets in reception to promote digitalisation and encourage paper saving
- Collaborates with Inserta Andalucía, an organisation committed to social action, training, guidance and employment to protect the most vulnerable groups in the Málaga province
