## QUALITY CERTIFICATES AND AWARDS

At H10 Hotels, we are committed to the environment, which is why we created **Stay Green** — a sustainability project aimed at developing a responsible business model based on three main areas of action: eliminating plastics and reducing waste, energy efficiency and the use of green energy, and training and awareness-raising programmes for both employees and guests.

As part of the **Stay Green** programme, the **H10 Casa del Mar** hotel has implemented the following actions:

- 100% renewable electricity consumption
- Harnesses energy from groundwater for air-conditioning (geothermal)
- Employs staff with disabilities or at risk of social exclusion
- Tablets in reception to promote digitalisation and encourage paper saving
- Collaborates with NGO Rastro Solidario, donating used vegetable oil for sale, with funds allocated to awareness-raising campaigns on learning disabilities
- Collaborates with Fundació DeixaLles on integrating people at risk of social exclusion into the workplace
