Stay Green is the **H10 Hotels Sustainability Plan**. In line with our commitment to society and the environment, its goal is to promote a model for responsible tourism in all our destinations.

As part of the Stay Green programme, the H10 Casa del Mar hotel has implemented the following actions:

Featured SDGs

- 100% renewable electricity consumption
- Harnesses energy from groundwater for air-conditioning (geothermal)
- Employs staff with disabilities or at risk of social exclusion
- Tablets in reception to promote digitalisation and encourage paper saving
- Collaborates with NGO Rastro Solidario, donating used vegetable oil for sale, with funds allocated to awareness-raising campaigns on learning disabilities
- Collaborates with Fundació Deixalles on integrating people at risk of social exclusion into the workplace
