CERTIFICATIONS AND AWARDS

At H10 Hotels, we are committed to the environment, which is why we created Stay Green—a sustainability project aimed at developing a responsible business model. This project is based on three main lines of action: the elimination of plastics and waste reduction; energy efficiency and the use of green energy; and training and awareness programmes for both our employees and guests.

As part of the Stay Green programme, the H10 Casa de la Plata hotel has implemented the following actions:

- 100% renewable electricity consumption
- Harnesses ambient heat to generate hot water (Heat Pumps)
- Tablets in reception to promote digitalisation and encourage paper saving
- Collaborates with Asociación Asperger and Fundación Don Bosco, offering training placements in its cleaning department
