Setting

The **H10 Ocean Dunas** is located in Corralejo, in the north of Fuerteventura, a fishing town that has been able to combine its seafaring tradition with high-quality tourist development. The island and its marine habitat were declared a Biosphere Reserve in 2009 by UNESCO. A highlight among the innumerable attractions of the area is the Corralejo Dunes Natural Park, with its impressive dunes and its beautiful beaches of fine sand and crystal clear waters, ideal for diving, windsurfing and other water sports.

0 m from the shopping area

50 m from Corralejo Viejo beach

800 m from Acua Waterpark

1.5 km from the port of Corralejo (departure point for Isla de Lobos and Lanzarote)

6.3 km from the Grandes Playas de Corralejo

6.3 km from Corralejo Dunes Natural Park

22 km from Los Charcos beach in El Cotillo

30 km from Puerto del Rosario

40 km from Fuerteventura airport

104 km from Jandía Natural Park

Coordinates: 28° 44' 3.26" N / 13° 52' 8.29" W

Our company has always distinguished itself by having the highest quality standards in our services, as well as the most rigorous cleaning and safety protocols. That's why, in COVID-19 times, we have increased these protocols for action and prevention to ensure the health and well-being of our guests, employees and collaborators in all our establishments.

In order to develop these **protocols and safety and hygiene measures**, we have worked in alliance with **Preverisk Group and Bio 9000**, leading international companies in food safety, hygiene and health. The processes designed follow WHO recommendations and those of other international organizations.

We continuously train and provide information to our teams on necessary updates for their safety. Furthermore, all of our employees have received specific training from **Johnson Diversey**, a leading international company in cleaning and disinfection products and procedures.

After a few months of implementation, **Preverisk Group and Bio 9000 have awarded our open hotels the Covid-19 Hygiene Response Certificate and Covid Protocol Certification**, respectively. In addition, both companies advise us on how to continually monitor the established protocols.

At H10 Hotels we are committed to the environment and that is why Stay Green was born, a sustainability project with the desire to develop a responsible business model based on three main lines of action: elimination of plastics and reduction of waste, energy efficiency and use of green energy, training and awareness programmes.
