Featured SDGs

Stay Green is the **H10 Hotels Sustainability Plan**. In line with our commitment to society and the environment, its goal is to promote a model for responsible tourism in all our destinations.

As part of the Stay Green programme, the H10 Gran Tinerfe hotel has implemented the following actions:

- 100% renewable electricity consumption
- Solar-powered water heating
- Generates its own drinking water supply from seawater (desalination)
- Tablets in reception to promote digitalisation and encourage paper saving
