The **H10 Ocean Suites** hotel is located in Corralejo, in the north of Fuerteventura, a fishing village that has successfully combined its seafaring tradition with high-quality tourism development. The island and its marine habitat were declared a Biosphere Reserve by UNESCO in 2009. Among the area's countless attractions, the Corralejo Dunes Natural Park stands out, with its impressive dunes and beautiful, fine-sand beaches with crystal-clear waters—ideal for diving, windsurfing, kitesurfing and other water sports.
