CERTIFICATIONS AND AWARDS

At H10 Hotels, we are committed to the environment. This commitment led to the creation of Stay Green, a sustainability project aimed at developing a responsible business model based on three main lines of action: the elimination of plastics and waste reduction, energy efficiency and the use of green energy, and training and awareness programmes for both our employees and guests.

As part of the Stay Green programme, the H10 Palazzo Galla hotel has implemented the following actions:

- Harnesses ambient heat to generate hot water (Heat Pumps).
- Tablets in reception to promote digitalisation and encourage paper saving.
- Encourages zero emission transport among users and employees by installing charging stations and bicycle parking.
- Donates money semi-annually to non-profit organizations dedicated to the assistance and care of children in situations of vulnerability due to illness.
