STAY GREEN BY H10 HOTELS

14 SDG highlights

At **H10 Hotels** we are committed to caring for the environment, which is why we created **Stay Green**, a sustainability project aimed at developing a responsible business model based on three main areas of action: eliminating plastics and reducing waste, energy efficiency and the use of green energy, and training and awareness-raising programmes for both employees and guests.

As part of the **Stay Green** programme, the **H10 Costa Adeje Palace** hotel has taken the following measures:

- 100% renewable electricity consumption
- 4 electric vehicle charging points ($)
- Generates electricity through its own solar panels (photovoltaic energy)
- Generates its own drinking water supply from seawater (desalination)
- Tablets in reception to promote digitalisation and encourage paper saving
- Participates in the ADEJE Circular Tourism Communities project, collecting bio-waste and plant trimmings for recycling and subsequent use at SERVIAGROC, an agro-ecological estate
- Collaborates on the job re-entry of people at risk of social exclusion with SIMPROMI (Sociedad Insular para la Promoción de las Personas con Discapacidad)
- Collaborates with Fundación Carrera por la Vida which works to respond to the needs and demands of individuals and families affected by breast cancer
- Collaborates with the Association of Deaf People of Arrecife and Lanzarote (APSAL) and the Pequeño Valiente Canarian Foundation with stay vouchers.
