The **H10 Lanzarote Princess** is located in Playa Blanca in the south of Lanzarote, a fishing town that has been able to combine its seafaring tradition with sustainable, high-quality tourist development. The island of Lanzarote, declared a Biosphere Reserve by UNESCO, offers unique landscapes formed by lava lakes and craters, volcanic caves and beaches with golden sand and transparent waters. The diversity of its singularly beautiful and distinctively shaped landscapes, the harmony between art and nature, the island's calm and silence all invite you to unwind and feel like you're on another planet.

CERTIFICATES AND AWARDS

At H10 Hotels, we are committed to the environment. This commitment has led to the creation of **Stay Green**, a sustainability project aimed at developing a responsible business model based on three main lines of action: the elimination of plastics and waste reduction, energy efficiency and the use of green energy, and training and awareness programs for both our employees and guests.

As part of the **Stay Green** programme, the **H10 Lanzarote Princess** hotel has implemented the following actions:

- 100% renewable electricity consumption
- Harnesses ambient heat to generate hot water (Heat Pumps)
- Solar-powered water heating
- Artificial Intelligence system to measure organic waste
- Tablets in reception to promote digitalisation and encourage paper saving
