CERTIFICATES AND AWARDS

STAY GREEN BY H10 HOTELS

At **H10 Hotels**, we are committed to the environment, which is why we created **Stay Green,** a sustainability initiative aimed at developing a responsible business model based on three main lines of action: eliminating single-use plastics and reducing waste, promoting energy efficiency and the use of green energy, and providing training and awareness programs for both our employees and guests.

8 SDG highlights

As part of the **Stay Green** programme, the **H10 Playa Esmeralda** hotel has implemented the following actions:

- 100% renewable electricity consumption.
- Harnesses ambient heat to generate hot water (heat pumps).
- Generates its own drinking water supply from seawater (desalination).
- Artificial Intelligence system to measure organic waste.
- Tablets in reception to promote digitalisation and encourage paper saving.
- Collaborates with Pájara Town Council, donating food to the most disadvantaged families in the municipality.
- Makes financial donations to the Faro de Jandía Women's Wrestling Club, the Red Cross, and the Chileguatrail Race.
