QUALITY CERTIFICATES AND AWARDS

At H10 Hotels, we are committed to the environment, which is why we created **Stay Green**, a sustainability project aimed at developing a responsible business model based on three main lines of action: the elimination of plastics and waste reduction, energy efficiency and the use of green energy, and training and awareness programs for both our employees and guests.

As part of the **Stay Green** programme, the **H10 Taburiente Playa** hotel has implemented the following actions:

- 100% renewable electricity consumption
- Harnesses ambient heat to generate hot water (heat pumps)
- 1 electric vehicle charging point
- Donates material from rooms and other textiles to Cáritas Diocesanas
- Collaborates with the Spanish Red Cross, offering placements to people at risk of social exclusion and employing several of them
- Toy collection from customers and employees, delivered by Santa Claus to children staying at the hotel who were affected by volcano Tajogaite
