QUALITY CERTIFICATES AND AWARDS

At H10 Hotels we are committed to caring for the environment, which is why we created **Stay Green**, a sustainability project aimed at developing a responsible business model based on three main areas of action: eliminating plastics and reducing waste, energy efficiency and the use of green energy, and training and awareness-raising programmes for both employees and guests.

As part of the Stay Green programme, the **H10 Timanfaya Palace** hotel has implemented the following actions:

SDG highlights

- 100% renewable electricity consumption
- Heats water using organic forest matter (biomass)
- Generates its own drinking water supply from seawater (desalination)
- Artificial Intelligence system to measure organic waste
- Tablets in reception to promote digitalisation and encourage paper saving
- Collaborates with Asociación para la Promoción del Turismo y del Deporte sin Barreras on the organisation of their adaptive sports event: Handbike
